Support from our community in the form of charitable sponsorships is one of the reasons we are able to recognize and honor teachers and support employees in a meaningful way. These outstanding educators and support employees definitely deserve a "Thank You" for their dedication and service during an extraordinary year!

Not only will your charitable sponsorship help honor our Charlotte County educators and support employees, but any net profits from this event support the Charlotte Local Education Foundation, supporting classroom projects that are not funded by normal tax revenue to help students succeed in their academic achievements.
